

Record 25 - Fairview General Hospital - Nursing Shift Note (Evening)

Date/Time: 06/27/2026, 19:00

Nurse: R. Alvarez, RN

Patient appears more fatigued than baseline for this admission per this nurse's assessment, spending most of shift resting in bed rather than ambulating as in recent days. Family at bedside, voiced concern that 'she doesn't seem to be getting better.' Concern relayed to covering physician per usual communication process.
