

SYNTHETIC TEST DATA - NOT A REAL CASE

IN THE CIRCUIT COURT, MEDICOLEGAL COUNTY

Daniel R. Ferreira, Plaintiff,

v.

Dr. M. Castellano and Crestline Urgent Care, Defendants.

COMPLAINT

1. This is an action for medical malpractice against Defendants Dr. M. Castellano and Crestline Urgent Care arising from care provided to Plaintiff Daniel R. Ferreira.

2. On or about March 2, 2026 (the "Date of Loss"), Plaintiff presented to Crestline Urgent Care with abdominal pain later confirmed to be acute appendicitis. Plaintiff alleges that Defendants negligently misdiagnosed his presentation as viral gastroenteritis and discharged him without appropriate imaging or referral, delaying the correct diagnosis and treatment of his appendicitis and resulting in a ruptured appendix and additional injury.

3. Plaintiff seeks damages for the injuries proximately caused by Defendants' negligence.

WHEREFORE, Plaintiff demands judgment against Defendants.
