

SYNTHETIC TEST DATA - NOT A REAL CASE

IN THE CIRCUIT COURT, MEDICOLEGAL COUNTY

Linda K. Whitfield-Nakamura, Plaintiff,

v.

Dr. P. Adeyemi and Brightwater Cardiology Associates, Defendants.

COMPLAINT

1. This is an action for medical malpractice against Defendants Dr. P. Adeyemi and Brightwater Cardiology Associates arising from care provided to Plaintiff Linda K. Whitfield-Nakamura.

2. On or about May 5, 2026 (the "Date of Loss"), Plaintiff was started on warfarin therapy for newly-diagnosed atrial fibrillation. Plaintiff alleges that Defendants negligently mismanaged her anticoagulation dosing and monitoring, failing to appropriately adjust her regimen in response to her INR results, resulting in a bleeding complication.

3. Plaintiff seeks damages for the injuries proximately caused by Defendants' negligence.

WHEREFORE, Plaintiff demands judgment against Defendants.
